You can create all of this with just a click of a mouse!

Get ready to be part of the growing of a new global online empowering website that offers one of the most influential tools for student achievement:

GUIDANCE & CONNECTIONS!

GANGOFHOPE.COM is a monitored **Free Membership** multimedia global online program **that can be part of your vocational guidance team** as it connects your students/teachers to successful, positive role models from all walks of life and life skill training. Students become inspired as they discover all the possibilities available to them firsthand, including ways to overcome the many challenges ahead, learn how to follow their dreams and connect with others that will empower their journey to success.

GANGOFHOPE.COM is created by Silva Mirzoian, the bestselling author of "*Jump-Start Your Life: 7 Steps to Waking up from the Sleepwalking Mode*", and producer of "The sky's the Limit" after school programs.

Why GANGOFFHOPE.COM-

- Students are the future leaders;
- Kids often give up on their dreams as they feel isolated from the world;
- Most students don't see a connection between school & their future life;
- Lack of funding, creative arts & vocational guidance does not help;
- 1 in 4 C.A. high school students alone drop out/live in a poor family, can't read or write and/or are in jail;
- 60% of inner city children are raised by a single parent;
- 57% overall students improve chances for graduation & career success through mentors;
- Kids have hope, needing and asking for mentors to help them through life's obstacles and challenges.
- **Time, distance & money prevent most mentors from being in schools. This will make them accessible anytime & anywhere;**

Benefits of GANGOFFHOPE.COM-

Provide your teachers and students with access to an engaging experience through our "members only" section, where they can:

- View as many success stories as they wish;
- Connect with other students across the globe through the discussion page;
- Post questions and connect with possible internship possibilities within their community;
- Learn life skills & entrepreneurial training first hand from mentors;
- Use it as an educational course;
- Communicate with other schools across the globe;
- Enhance access opportunities to local leaders and mentors
- Chance of being featured as the "School Making a Difference" on the Home page of Gangoffhope.com website.
- Receive 20 **gangoffhope.com** rubber wrist bands, inspiring kids to stay focused on their dreams;
- One live speaking presentation by Author & Life Developer Silva Mirzoian per school when possible.
- 2 online mentoring courses provided by Silva Mirzoian
- Be the first to receive invitations to online personal/professional training seminars, events and much more...

With GANGOFHOPE.COM's valuable membership, your teachers and students could have direct access to people like Donald Trump and Richard Branson. They and other successful role models will be explaining how they personally achieved success. Our website offers interviews from various role models in nearly every profession.

- What's it like to be successful in their career.
- How did all start?
- What did they have to do to get to where they are?
- How did they deal with the difficulties of childhood such as peer pressure, bullying, and overcoming adversity?
- What mindset did they have while creating success & steps to jump starting their lives.

GANGOFHOPE.COM's will unlock the door to a world of possibilities, guiding teachers and students towards discovering and opening up a new world. They will access to new resources that will turn their dreams into reality. This will no longer be a wish list but a result list! Your **free membership** will grant your teachers **unlimited access** through GANGOFHOPE.COM's member's only pages is the only site of its kind that's devoted to:

- Inspiring & empowering students to becoming future leaders
 - Connecting Students and teachers together
 - Enhance the potential of a student
 - Connect to scholarship and internship resources
 - Become part of the positive global community
- Instill the power of success within Student by connecting academic training with life skill training through positive role models.

These questions and much, much more are all answered through GANGOFHOPE.COM's entertaining online interviews.
