Mama Hill Youth Center

Benefits to Students & Teachers

These unique empowerment online/onsite workshops are prepared specifically for young adults. It is a provocative and informative presentation teaches them how to seek out answers and solutions to situations. It also discusses positive ways to acknowledge the changes that are taking place and to find ways to deal with them in a positive way. Topics covered:

*** Understanding Power * Peaceful Conflict Resolution * Elements of Loving Relationships * Body, Mind & Spirit Power * Unleashing Creativity * Self Love* Fairness * Tolerance * Culture Differences and Harmony * Honesty &* Responsibility * Awareness and Goal Setting**

Students are trained on the subjects of Creative Arts, Leadership/ Entrepreneurial Skills, and Finance.

The courses will teach the technique successful people use: **visualizing their goals; claiming their future. The role of exercise, healthy eating patterns and proper grooming are also addressed in this course. Proper grooming shows that we respect and believe in ourselves.**

Students learn the importance of cultivating resources and friendships with people who share their values, goals and positive attitudes. They are warned of the danger of associating with people who abuse drugs and alcohol and who engage in violent behavior. Alongside the parents' guidance and example, it is the teacher that prepares students for their future. This workshop re-ignites passion back into the teacher's life.

This workshop will also re-ignite teacher with their passion for teaching.

Ultimate Marketing Plan – “Adopt-A-School” Sponsorship programs

As your marketing partner, our goal is to ensure that your product name and information reaches the hands of student consumers, teachers and their parents who are looking to purchase your product or service.

Goals for Sponsors

Connect your Brand to students, parents and teachers who influence purchasing power, by educating them about your company, which will **increase** sales and grow your customer base. Annual expenditures by families on consumer goods for kids will reach **approximately \$143 billion by 2010.**

Donate % or \$1.00 from the one day sale of your products to Passions & Dreams Funding, Inc. This will help promote your product and provide the necessary training/education to today's students!
